REPORT OF AUDITING COMMITTEE

The Auditing Committee had left over last year as unfinished business, two accounts due the Town of Ossipee which were:

Due from American Surety Co. Ernest

Merrow, Town Clerk \$562 33

Due from Aetna Insurance Co., Ernest Merrow

Tax Collector \$3595 00

The Committee wishes to report that all of the Bonding Companies have paid their obligations to the Town, and therefore, we consider our services closed.

FRANK S. LORD

HARRY P. SMART

HENRY W. ALLEN

CHARLES A. WHITE

Auditing Committee

To the Citizens of Ossipee:

You will remember that I said, three years ago, that if I were elected to the office of Selectman of Ossipee that I would endeavor to conduct the affairs of the Town in an honest, business-like way, with two thoughts always in view; Ossipee and the tax payers of Ossipee. With these thoughts before me constantly, I have completed my three year term. During this time we have built two miles of Federal Aid Road, two cement bridges, installed electric lights in the Town Hall, also in the covered bridge at West Ossipee; erected silent policemen on dangerous corners; had warning signals installed at the R. R. crossing at Mountainview; had the Soldiers' Memorial tablet placed in an appropriate location; laid out the Huckins road at

Mountainview, also the road to White Pond; made improvements on the roads leading to Effingham; erected guide boards; bought a new road machine; also a tractor and plough at a cost of \$4900.00; built two or three miles of State Aid road; paid up \$9000 worth of notes on the New High School building; and paid all outstanding notes, so that at the close of the fiscal year, February 1, 1929, we are entirely out of debt with a small balance in the Treasury.

In 1926 we bought a car load of cedar posts for guard rails. These posts were six feet long and none under six inches in diameter. We bought these delivered here for thirty-three cents each, which saved for the town on one car alone more than two hundred dollars. As these have all been used up I would recommend the buying of another car this summer.

You will notice in the warrant that we have a number of articles asking for small appropriations which are intended to show to our appreciative summer visitors that we welcome them to our town and do intend to give them good roads. I believe that we should make similar appropriations every year.

I would like to say in closing that the work which I started over four years ago, which resulted in returning to our town over \$12000 was simply that right might prevail, and that that wrong, which is a detriment to any town might not be allowed to undermine the financial, and governmental affairs of one of the best and one of the most promising towns of the State.

3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and the Truant officer and fix the compensation of any other officers or agents of the district.
6. To see if the district will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of statutory obligations of the district, as determined by the School Board in its annual report.
7. To see if the district will vote to raise and appropriate the sum of \$600.00 for repairs, alterations and improvements of schools houses for the ensuing year.
8. To see if the district will vote to raise and appropriate the sum of \$540.00 for transportation of high school pupils.

9. To see if the district will vote to raise and appropriate the sum of \$200.00 for Medical Inspection for the ensuing year.

10. To see if the district will vote to raise and appropriate the sum of \$300.00 for new equipment for the ensuing year.

11. To see if the district will vote to sell the vacant schoolhouses at Center Ossipee and Moultonville.

12. To hear reports of Agents, Auditors, Committees, or officers chosen, and pass any vote relating thereto.

13. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

14. To act upon any other business that may legally come before this meeting.

Given under our hands at said Ossipee this 12th day of February, 1929.

SUPERINTENDENT'S REPORT

To the School Board of Ossipee:

I herewith submit my third annual report as superintendent of schools, it being the tenth in the series of such reports.

Nine schools are open this year. The Brown School was closed for lack of pupils. As a whole the schools are doing well.

During the year ending June 30, 1928 we had an average attendance of 185, an average membership of 199 and a percent of 93. In general attendance has improved but we should do still better. We should not have less than 95%. The rural schools have better attendance than the center schools.

Following is a list of teachers and schools with number of pupils at present

High School	Harold M. Ladd	20 pupils
	(University of N. H.)	
Grammar	Ruby Swinnerton	40 pupils
	(Plymouth Normal)	
Assistant	Elsie Sylvester	
	(Portsmouth Training School)	
Intermediate	Ruth Ackerman	34 pupils
	(Keene Normal)	
Primary	Sara E. Haire	30 pupils
	(Plymouth Normal)	
Special	Florence W. Pearson	16 pupils
	(Plymouth Normal)	
West Ossipee	Lilla M. Moulton	12 pupils
	(Keene Normal)	
Water Village	Martha McDuffee	15 pupils
	(Summer Normal)	

Ossipee Corner	Hazel M. Merrill	18 pupils
	(Summer Normal)	
Granite	Dorothy Huckins	15 pupils
	(Plymouth Normal)	

I have been privileged to attend several school-community gatherings during the past year and have been pleased to note the cordial interest of the parents and other citizens. The Christmas program and that presented by the Woman's Club were especially commendable. Those in the smaller schools were well adapted to time and place.

Repairs and Improvements

During the summer vacation chemical toilets were installed at Granite, greatly improving the sanitary condition. New single adjustable seats have been placed at Ossipee Corner and a library table provided. Work on the grounds at Center Ossipee was nearly completed in the fall. Slate blackboard has been placed in the Special Room.

For next year I recommend chemical toilets for Water Village. Ossipee Corner should have the lighting changed to the left of the pupils and the building should be painted. Painting should be done at the Center in the halls and gymnasium. All furniture should be cleaned and varnished.

The following pupils were promoted from the eighth grade last June:

Grammer School: Ruth Libby, Clyde Bean, Ada Eldridge, Archie Eldridge, Esther Eldridge, Rita Eldridge, Willis Williams, Frances Forbush, Evelyn Wasson.

Ossipee Corner: Priscilla Moulton.

West Ossipee: Dorothy Browne, William Browne.

The following pupils in the second year of high school were promoted: Lena Arsenault, Mark Winkley, Marion Atherton, Ruth French, Marjorie Sabine, Thelma Williams, Mildred Eldridge.

Medical Inspection

The school health inspection is being conducted by Miss Philomene Barber who succeeds Miss Sibley as Red Cross nurse. After the inspection reports were sent to parents regarding defects found. Cooperation of all the homes would bring about the correction of a much larger number of defects.

A successful dental clinic was held last summer when Miss Barber directed the activities. Dr. Meader of Wolfeboro did the dentistry. This is a fine piece of preventive work. This clinic should be held each year.

Many defects were noted in teeth, vision and malnutrition. These should be corrected.

The children are weighed each month and an effort is made to bring each child up to normal weight.

"A sound mind crowns a sound body."

At the time of the World War, one man in every six examined was found physically unfit. One man in every four drafted was lacking in ability to read and write. After learning this, the nation set out to give each child a schooling that would make him physically fit and qualify him with education for the duties of life. We are still working toward that goal. As a nation we have not fully arrived.

The school aims are seven:

1. Sound Health
2. Worthy Home Membership
3. Mastery of the three R's

4. Good Citizenship
5. Vocational Efficiency
6. Wise Use of Leisure
7. Training in Good Character

The nation spends for schools \$2,255,251,327.

The nation spends for tobacco, soft drinks, ice cream, candy, chewing gum, theatres, movies and similar amusements, jewelry, perfumes and cosmetics, sporting goods, toys, etc., \$6,239,860,000. For these luxuries we pay about three times as much as for schools. Can we afford to pay more for luxuries than for schools?

Money invested in education brings handsome economic returns to states and communities. If the right schooling raises the earning power 10%, then 10% of our total annual income is nine billion dollars—more than three times as much as we pay yearly for public schools and colleges of all types. Herbert Hoover lists education and scientific research as first among the factors which are responsible for the nation's high economic position.

Roll of Perfect Attendance 1927-28

Marjorie Sabine, High School; Phillis Merrow, Intermediate; Janice Holbrook, Donald Pearson, Primary; Clesson Hurn, Lillian Melanson, Henry Wagenfeld, Kenneth Wagenfeld, Granite; George Stevens, West Ossipee; James Ryder, George Ryder, Frederic Bierwieler, Roger Gregory, Marguerite Ryder, Ossipee Corner.

As superintendent of schools, I appreciate the willingness of Ossipee school board and citizens to support the public schools—our great asset.

Respectfully submitted,

F. W. JACKSON
